

OUTGOING STUDENT FEEDBACK FORM 2008-2009

Programme **IMABS**

University Attended **Queen's University, Ontario**

INDUCTION/ORIENTATION PROGRAMME

What did this involve, how long did it last, was it useful?

Week long orientation, gave you good information for getting settled in, and a few follow up events help to meet people. The Exchange transfer committee are unreal and very helpful.

ACADEMIC EXPERIENCE

Style of teaching, courses, ease of access to courses, methods of assessment, teaching support

Courses and lecturers were very good and readily approachable, smaller class sizes than home, lots of group work and more of a constant workload. Everything to do with courses is done online. Centre for International Management are very helpful.

MBS INTERNATIONAL OFFICE

Level of support, additional information that could have been useful

Were there when needed and supplied any information that I required.

MBS SECOND YEAR MEETINGS

Any additional information that could have been useful

HOST INTERNATIONAL OFFICE

Level of support, additional information that could be useful for future students

Very accommodating but can be confusing dealing with both the International office (University wide) and the Queen's business school international staff.

ACCOMMODATION

Basic, like many residences, Harkness hall was ideally located, Jean Royce was on west campus and required a bus for 5-10mins or 25-30 minute walk, student housing was of similar quality to home but I would recommend residence if not for whole year, one semester so you can meet some Canadian students in a house.

DESTINATION INFORMATION AND OVERALL EXPERIENCE

Transport, travel, social life, integration with local students, student activity groups

Local bus service is free, many ways to travel around Canada and US, smaller community than in Manchester but very picturesque place with lake near by.

Students were fantastic so welcoming, get involved with ETC events, meet so many people in same situation as yourself.

DESCRIBE IN ONE SENTENCE YOUR YEAR ABROAD

Best Experience of my life, would go back tomorrow and have friends all over the world now.
