

OUTGOING STUDENT FEEDBACK FORM – 2006/2007

Programme: IMABS

University Attended: NYU Stern

INDUCTION/ORIENTATION PROGRAMME

What did this involve, how long did it last, was it useful?

We had a lunch with a meet and greet where other useful information was delivered and any questions answered. Good

ACADEMIC EXPERIENCE

Style of teaching, courses, ease of access to courses, methods of assessment, teaching support

The style of teaching really depended on the professor. In general it was very engaging and informative. There is a good range of courses and access is simple. Assessment comprised too much of group work and presentations in my opinion. Teaching support was excellent on most courses.

MBS INTERNATIONAL OFFICE

Level of support, additional information that could have been useful
The international office was not needed for me.

HOST INTERNATIONAL OFFICE

Level of support, additional information that could be useful for future students
Very helpful and made themselves available for any questions.

ACCOMMODATION

I found my own apartment which was much cheaper.

DESTINATION INFORMATION AND OVERALL EXPERIENCE

Transport, travel, social life, integration with local students, student activity groups
