

OUTGOING STUDENT FEEDBACK FORM – 2006/2007

Programme: International Management

University Attended: Wirtschaftsuniversitat Wien

INDUCTION/ORIENTATION PROGRAMME

What did this involve, how long did it last, was it useful?

It was a 2 week programme that involved visits both in and outside Vienna. The orientation programme was both enjoyable and useful, as it helped me find my way around Vienna.

ACADEMIC EXPERIENCE

Style of teaching, courses, ease of access to courses, methods of assessment, teaching support

Courses were taught in 3-day blocks, typically from 9-5. Methods of assessment included pre & post assignments, class participation, group projects and final examinations at the end of the course. Teachers relied on students to carry out their own reading to supplement learning in the class.

MBS INTERNATIONAL OFFICE

Level of support, additional information that could have been useful

I am very happy with the support I have received from Katherine Lloyd and Susan Fidalgo. Whenever I have had a problem they have helped me sort it out instantly and have always been supportive over problems. I have also heard that students that have studied in Manchester have also found the MBS International office to be extremely supportive

HOST INTERNATIONAL OFFICE

Level of support, additional information that could be useful for future students

At first I didn't think the office was rather impersonal, certain doors are locked and you cannot simply go into the office and talk to who you would like. Also the office has very strange opening hours and is only open certain times in the day. However some of the International office staff such as Christiane Dietrich and Lukas Hefner have been very helpful when I have needed them.

ACCOMMODATION

Accommodation has been reasonable, the ERASMUS students create a good atmosphere

DESTINATION INFORMATION AND OVERALL EXPERIENCE

Transport, travel, social life, integration with local students, student activity groups

I have really enjoyed myself; I have travelled, mixed with foreign students made lots of new friends from all over the world. I have also engaged in the culture of Austria by joining a local football team which in itself was an amazing experience. Vienna is a beautiful city and I strongly recommend that anyone visit it at least once in their lifetime.
