

# **OUTGOING STUDENT FEEDBACK FORM 2008-2009**

**Programme** International Management

## **University Attended**

*Wirtschafts Universitat Wien (Vienna University of Economics and Business)*

## **INDUCTION/ORIENTATION PROGRAMME**

What did this involve, how long did it last, was it useful?

*I did not attend, but from what I heard from other students was that it was a great way to meet many of the exchange students and at the same time go on a few trips around Austria.*

## **ACADEMIC EXPERIENCE**

Style of teaching, courses, ease of access to courses, methods of assessment, teaching support

*Courses are mainly seminar like, small groups and in 'blocks', i.e. a course usually finishes in 3-5 days in which teaching last pretty much the whole day (9am to 7pm) and assessments are usually presentations or essays that have to be submitted after the course finishes.*

## **MBS INTERNATIONAL OFFICE**

Level of support, additional information that could have been useful

*Always quick to reply when problems or queries came up. Very useful and helpful.*

## **MBS SECOND YEAR MEETINGS**

Any additional information that could have been useful

*Probably the best source of information since it comes from someone like you that's already been where you are going. Tells you exactly what you need and helps out a lot at the beginning.*

## **HOST INTERNATIONAL OFFICE**

Level of support, additional information that could be useful for future students

*Very helpful and quick to solve problems but their working time can get frustrating since they only work from 10-12 and then 2-3.*

## **ACCOMMODATION**

*I stayed at the university provided accommodation (Haus Panorama), my room was big enough, shared a bathroom with one more person and two kitchens with the whole floor...great place to socialise. The accommodation was very close to a metro station and was only 10min from university.*

## **DESTINATION INFORMATION AND OVERALL EXPERIENCE**

*Transport, travel, social life, integration with local students, student activity groups*

*Vienna is a beautiful city and its right in the middle of Europe so travelling is easy, cheap and usually doesn't take long. You tend to meet local students in the lectures but going out and socialising is usually with exchange students. There are loads of places to go out at night but it can get a little expensive since there aren't as many student offers as there in Manchester.*

## **DESCRIBE IN ONE SENTENCE YOUR YEAR ABROAD**

*A great year, made many new and great friends and got the chance to see a lot of Europe.*
